

School Info December 2024

Dear Parents,

At the start of the Advent season, I would like to draw your attention to some special activities.

Theater Visits:

This year, we are again thrilled about the theater visit to the "Junges Theater Beuel." This week, grades 1 to 3 will enjoy the performance of "SAMS"—a true classic. We are delighted to continue this lovely tradition again this year—many thanks to the Bürgerstiftung (Civic Foundation) for covering a significant portion of the ticket costs.

Lyngsberg School Choir:

On the 2nd Sunday of Advent—Saturday, December 7, at 5:30 PM—the Lyngsberg School Choir will perform as part of the program at the Lannesdorf Christmas Market. We are looking forward to many listeners and hope for good weather. All families are welcome!

Christmas Bag Campaign – "Thinking of You":

Once again, we will participate in the bag campaign in support of the *Gefährdetenhilfe Bonn* (Assistance for the Vulnerable in Bonn). Each class will pack a bag with useful and delicious items for an unknown person in need in our city. You as a family can also donate such a bag (environmentally friendly cloth bags are preferred). We will collect all bags at the school until the second-to-last school day. Further information about the bag campaign is included in the attachment.

Christmas Church Service:

On Friday, December 20, 2024, at 8:10 AM, this year's Christmas school service will take place at the Herz-Jesu Church in Lannesdorf. All children will participate. The service will be led by Class 2b, the Erdmännchen. You are all warmly invited to attend.

Further Information:

Holidays:

On the last day of school, **Friday, December 20th 2024**, classes will end at 11:30 AM, and all children will go home afterward. The OGS (after-school care) and short-term care will be closed that day.

School will resume on Tuesday, January 7, 2025, following the usual schedule.

Staff:

At the end of the calendar year, we will bid farewell to Ms. Nina Reiland, who has been a great support in many areas. We thank her for her dedication and wish her all the best.

With warm regards and best wishes for a wonderful Advent season,
The Lyngsberg School Team!
