

## Invitation to the “Buffet of Diversity”

Dear Parents,

Celebrate the summer festival “Buffet of Diversity” with us and the whole school community!

We want to sing, eat, and dance together.

- Each family brings a dish for our large Buffet of Diversity.
- Each family also brings their own drinks, cups, plates, and cutlery.

While the adults enjoy relaxed conversations, various games and sports stations will be available for the children — for example, a circus box, photo booth, and face painting.

Take this opportunity to connect and talk with one another.

Two tables will be reserved for each class.

Please let us know how many people will attend and whether you will bring a dish.

Please also pay attention to further information from your class representatives.

**Thursday, July 3, 2025**

**Start: 6:00 PM**

**On the lower schoolyard**

We look forward to seeing you all –

The Staff of Lyngsberg School
