

Dear Parents of the Lyngsberg School,

Today you will receive information about dates and projects in the coming weeks.

Sponsorship Run 2026:

On Wednesday after the Easter holidays, April 15, 2026, our sponsorship run will take place. As every year, the Lyngsberg children will “run” to collect donations for the school and for a good cause. This year, the money raised for the school will be used to help finance our “Drumming Week” in July.

On this day, children may come to school already dressed in sports clothing – but they still need to bring their schoolbags. Please ensure weather-appropriate clothing and drinks.

IMPORTANT: Spectators are very welcome!

Staff:

On March 16, 2026, Ms. Anna Lina Helbing started her position as a special education teacher at our school. As of April 15, 2026, she will be supported by Ms. Kathrin Schmit as an MPT staff member for special educational support.

Welcome to both!

Forest Exploration Day:

The Forest Experience Days were resumed in March under the guidance of Ms. Zanella (social pedagogue). If possible, each class should be able to take part in a Forest Wednesday. Please observe the information provided by the class teachers.

Public Holidays:

The May holidays will soon begin – here is an overview of days without lessons:

- May 1 – Friday
- May 15 – Friday, bridge day for Ascension Day (May 14–17, 2026)
- May 25 & 26 – Whit Monday and Tuesday (May 23–26, 2026)

Professional Development Day

On Monday, June 15, the teaching staff will hold a training day. We will be working on topics related to the learning workshop as part of the BONEUM project.

There will be no classes on this day. OGS and short-time care children may use a childcare option. Please register in advance!

Kind regards,
The Staff of Lyngsberg School
